

The Trusted Source™

Our Mission

To provide our customers with value-added, cost-effective solutions for spare parts, aircraft maintenance and aircraft sales. Powered by the "Worthington Way," exceeding your expectations is our highest priority. We combine our experience, resources and dedication to quality to deliver superior results.

Our Company

Comprised of three distinct but synergistic divisions: Worthington Aviation Parts, Worthington Jet Service and Worthington Jet Sales. Our people, depth of capabilities and state-of-the-art infrastructure and facilities allow us to provide customers with unmatched service and support solutions. With locations in Minnesota, Michigan, Kansas, Florida and Australia, we are well positioned to serve our customers worldwide.

Worthington Aviation Parts

With an extensive 28,000 square foot office and warehouse complex and access to over 150,000 parts, Worthington has one of the largest corporate and regional aircraft inventories in the industry. We specialize in supporting the following aviation segments:

- Westwind I and II
- Metroliner II and III
- EMB 110 and 120
- Agusta Helicopter
- TFE731
- Saab 340
- Jetstream 31
- Astra
- Eurocopter Helicopter
- CT7 Series
- Bombardier CRJ
- DeHavilland Dash 8
- Sikorsky Helicopter
- Bell Helicopter
- Avionics Systems

Worthington Jet Service

Featuring a broad array of corporate and regional aircraft maintenance services, Worthington specializes in maintaining the Saab 340 and Dash 8 regional aircraft and the Westwind and Citation corporate aircraft. Our vast technical expertise in aviation material support and services, combined with our extensive inventory investment and ability to expand and align our capabilities in response to ever changing market conditions and customer needs, makes us "The Trusted Source."

From Parts to Service...From Aircraft to Avionics...Make Worthington Your "Trusted Source"

Worthington Jet Sales

Worthington Jet Sales professionals provide the knowledge and expertise our customers need to make informed decisions when buying or selling a corporate or regional aircraft. Backed by the "Worthington Way," working in combination with our highly qualified jet service facility, and with access to our extensive parts inventory, we are the logical choice to facilitate your next aircraft sale or acquisition. Financing and leasing options are available to qualified clients.
